

NEW HIGH SCHOOL

Math PROGRAM

for Interactive Whiteboards

Preparing for Standardized Tests

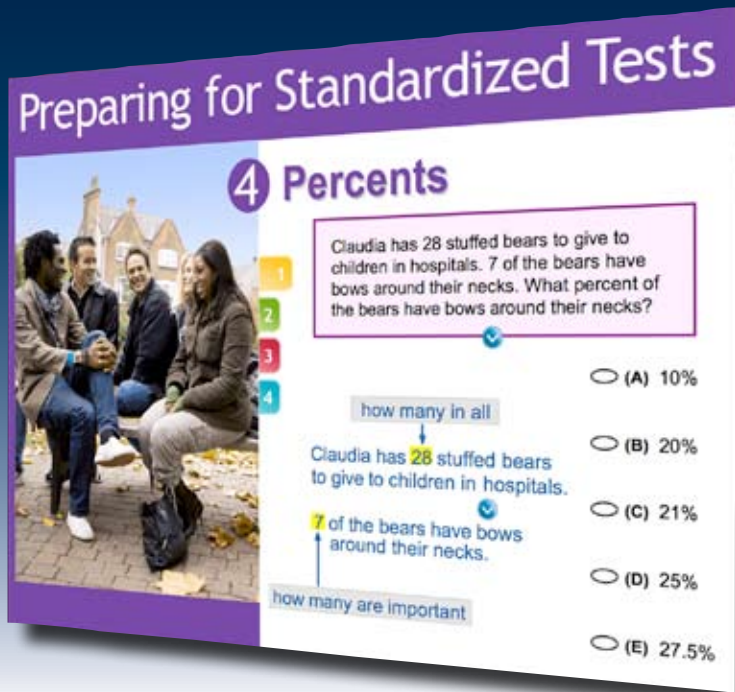

is a comprehensive, new program available now at www.PrometheanPlanet.com. Designed for high school students preparing to take the ACT and SAT tests, the program makes optimal use of student-response devices, enabling schools and teachers to collect detailed data on each student's test preparedness.

Contents

- | | |
|-------------------------------|--|
| Preparing for the ACT | 11. Angle Relationships |
| Preparing for the SAT | 12. Quadrilaterals and Polygons |
| 1. Averaging | 13. Triangles |
| 2. Fractions | 14. Circles |
| 3. Ratios | 15. Pythagorean Theorem |
| 4. Percents | 16. Number Lines and Coordinate Planes |
| 5. One-Step Equations | 17. Slope |
| 6. Multiple-Step Equations | 18. Distance and Midpoint |
| 7. Polynomials and Factoring | 19. Right Triangle Trigonometry |
| 8. Exponents | 20. Functions |
| 9. Probability and Statistics | |
| 10. Tables and Graphs | |

4 Percents

Claudia has 28 stuffed bears to give to children in hospitals. 7 of the bears have bows around their necks. What percent of the bears have bows around their necks?

○ (A) 10%
○ (B) 20%
○ (C) 21%
○ (D) 25%
○ (E) 27.5%

Diagram illustrating the solution steps:

- how many in all
- Claudia has 28 stuffed bears to give to children in hospitals.
- 7 of the bears have bows around their necks.
- how many are important

- 1** The **20 CORE LESSONS** teach essential college readiness skills. Each lesson teaches two related math skills, provides step-by-step instruction for how to answer standardized-test questions, and includes guided and independent practice.
\$3.99 PER LESSON OR \$74.99 FOR ALL
- 2** The **20 PRACTICE SETS** provide 10 additional practice questions for each lesson. Each practice set provides questions on each essential math skill and helps students master a specific question type. Practice sets utilize the student-response technology of *ActiVote* or *ActivExpression* to the fullest.
\$3.99 PER LESSON OR \$74.99 FOR ALL
- 3** The **TOTAL PROGRAM** encompasses all the lessons and practice sets. **\$149.99**

- 4** **SITE LICENSE** available for all teachers and computers in a building for unlimited use.
\$350.00 per building for all lessons OR all practice sets
\$600.00 per building for all lessons AND all practice sets
